Kourtney,

I appreciate your continuing emails regarding the #2-14 well issue. I am uncertain if the "Notice of Initiation of Contested Case" required that I resend an email to you requesting that I continue to be informed about any future developments in the case, but this is my notification to please continue to inform me of the developments in the case.

I do want to reiterate my opposition to allowing a new well to be drilled as I noted in the original letter that I submitted.

Respectfully,
Leonard McCurdy
