NOTICE OF ERRATA

Applicant Snake River Oil and Gas, LLC, through its undersigned counsel, files this Notice of Errata to correct an error in its March 25, 2021 application letter in this matter. The application letter states in numbered item 5 that the planned well will be located in the southeast quarter of Section 10. In fact, the planned well location is in the southwest quarter of Section 11. This does not change anything else about the application.
