Re: Integration Application, – Docket CC-2022-OGR-01-002

Dear Mr. Christian:

This letter serves as acknowledgement that the Idaho Department of Lands received the above-referenced integration application on August 29, 2022 (Application). As described in Idaho Code § 47-328(3)(a), "The department shall notify the applicant within five (5) business days of receipt of an application if additional information is required for the department to evaluate the application." After reviewing the Application, the Department is not requesting additional information, or clarification of the information submitted at this time.

Per Idaho Code § 47-320 (4), an application requesting integration must contain certain information. IDL has not made a determination regarding the completeness of the application as it pertains to the necessary information as provided in statute. The department reserves the right to seek additional information from the applicant prior to, or at a hearing for the integration request.

If you have any questions, you can reach me at (208) 334-0243 or [ithum@idl.idaho.gov](mailto:ithum@idl.idaho.gov). Thank you for your assistance.

Sincerely,

A handwritten signature in black ink that reads "James Thum".
