Dear Mr. Thomas: RE: Docket No.CC 2023 OGR 01 001, I.D. Code 47-328 (3)

I am unable to attend the March 14, 2023 meeting in Fruitland and will not have internet access to Zoom.

This statement is my OPPOSITION to Snake River Oil and Gas accessing my property in anyway. I do not want to be part of any integration that Snake Rv. Is proposing. My property is currently leased and part of my senior income. This is good farm land, intrusion by other than farming would violate the earth and also negatively impact the value of the property.

Respectively.
