Subject: Request for admission as party.

Docket no. CC-2921-OGR-01-001

ATTN: Mr. Thomas

My wife Connie and I own land that has been included in the above docket. We are designated as non-consenting owners.

I have had discussions with Mike Christian regarding negotiating an Oil and Gas lease with Snake River Gas and Oil, LLC. Mr Christian indicated he would send me a draft Oil and Gas lease for review. He also indicated that he would not object for Snake River, if a satisfactory lease could not be negotiated and I had to file to become a party in the proceeding.

To date, I have not recieved a draft lease from Mr. Christian, and I understand that the deadline for me to become party to the proceeding was yesterday. It is critical that I be a party to this proceeding if negotiations of a lease with Mr. Christian and Snake River is not successful. I request that the Department exercise its discretion and allow my wife and me to be parties to the proceeding.

If allowed party status, our position will be that the lease included by Snake River as Exhibit D in its application for integration is not just and reasonable. I will be prepared to present other lease terms

that are just and reason to replace the lease terms in Exhibit D.

Thank you for your consideration of my e-mail.
