James, a slight correction:

Bretz (41), Varriale (42) and Garred (60) were leased after the first integration application for Section 30 (001) was filed. They were already leased by the time the current application (002) was filed. The new leases since the current application was filed are Holm (44 and 49) and Kelly (48). The percent leased number in my email earlier this morning is the same.

Thanks,
Mike
