**In the Matter of the Application of
Cascade Exploration, LLC for an Order
establishing a Spacing Unit consisting of
239.15 net acres on lands situated in
Section 25, Township 5 North, Range 4
West, Canyon County, Idaho.**

**CASCADE EXPLORATION, LLC,
Applicant.**

AGENCY Case No. CC-2025-OGR-01-003

OAH Case No. 25-320-OG-02

JOINT STIPULATION TO CONDITIONS FOR GRANT OF CASCADE EXPLORATION'S APPLICATION

The Applicant, Cascade Exploration, LLC ("Cascade Exploration"), by and through its counsel of record, Andrew A. Irvine, jointly with the Idaho Department of Lands ("IDL"), by and through its counsel of record, Kayleen R. Richter (collectively, the "parties"), submit the following *Joint Stipulation to Conditions for Grant of Cascade Exploration's Application*.

At the in-person evidentiary hearing in this matter on August 28, 2025, IDL recommended that Cascade Exploration's application for an Order establishing a spacing unit in Section 25, Township 5 North, Range 4 West, Canyon County, Idaho, be granted with conditions. The parties hereby stipulate the conditions, as follows, for grant of Cascade Exploration's application:

1. The order approving the spacing unit shall allow for only one well within the unit.
2. The spacing unit shall consist of a ninety-acre unit at S2SE1/4, S2SW1/4, W2NW1/4, NE1/4 in Section 25, Township 5 North, Range 4 West, Canyon County, Idaho, as further described at Exhibit A hereto. Setbacks shall be 330 feet from the closest exterior geographic boundary of the unit as described in IC 47-317(3)(a)(i).
3. Beyond well testing as allowed in IDAPA 20.07.02.413, no production activities will be permitted from the stratigraphic test well.
4. The spacing unit will expire 90 days after final plugging and reclamation has been completed, inspected, and approved by IDL.

With these conditions, Cascade Exploration's application, declarations, and exhibits, and the parties' testimony from the evidentiary hearing, the parties submit that Cascade Exploration has complied with the statutory and regulatory requirements and that the stipulated spacing unit is appropriate. Cascade Exploration therefore requests, and IDL therefore recommends, that Cascade Exploration's application be granted and that an Order establishing the stipulated spacing unit be issued.

DATED this 4th day of September 2025.
