RE: Docket No. CC-2020-OGR-01-001

Mr. Thomas:

I don't understand what this hearing is about. What I do understand, is I am tired of all the mail I am receiving, practically with the same information I can't imagine the expense of the envelopes, stamps and paper.

I am a widow and have noone to explain what is going on. It sounds like 2 dogs fighting over the same bone. Neither one wanting to give in. How ridiculous!!!

Of course, there is money involved or it would have been settled long ago. Just get this over with, so we can all move on. I Am to the point of discarding all future email and not even open the envelope.

Most Sincerely,

Cheryl Smith
