Subject: Fruitland Idaho: Protect my property value and my family's health

Good day Mr. Thomas,

As a homeowner in the newer development know as the "Northview Ranch Subdivision in Fruitland Idaho," I would like to express my opposition to drilling under and/or near our development. If you have any documentation supported by historical facts showing that our property and health could be preserved, please share the information with me for further consideration. If I were to consider supporting this venture, I would also like to see the financials for historical projects and how they properly compensated the residents at risk.

Sincere thanks,

Dean A. Piotrowski
