JAN 16 2020

BOISE, IDAHO

Dear Mr. Thomas,

I do not want
the gas line
on or near
my property at
2692 Bayberry Dr
Fruitland, Id 83619

I feel it drops
my property value,
there is a
chance of water
contamination as
well as health
health risks
in the future.
I have refused
to grant permission
in the past and
feel this is

just harassment.

I would prefer
to attend open
meeting, however
it falls on a
date that
prohibits me
from doing so.

Respectfully,

The McPheeters
Family Trust,
L. Lee McPheeters,
Trustee
