DEPT. OF LANDS

BOISE, IDAHO

Dear Mr. Mick Thomas:

As the owners of real property, addressed 1203 Cottonwood Drive, Lot 15 in Block 5 of Northview Ranch Subdivision No. 6, my wife and I object to the approval of the spacing application submitted to the Idaho Department of Lands by AM Idaho, LLC. We also object to the approval of AM Idaho, LLC's request to integrate the unleased mineral interest owners in the proposed spacing order.

Our reasons for objecting to approval are as follows:

- 1) Personal and public safety concerns.
- 2) Fear of personal and community health injuries arising out of exposure to contaminants.
- 3) Concern of earth movement and contamination on my property due to natural resource extraction activities. Damages caused by such activities are normally excluded by property insurance plans.
- 4) Concern for air and water environmental quality preservation.
- 5) Release of my mineral interest rights against and without my authorization.

We respectfully request that you protect our personal, community, and state safety, health, and property rights. You will do this by NOT approving AM Idaho, LLC's spacing application and disallowing any further actions to obtain authorization to extract natural resources from the proposed area.

Sincerely,

Colonel Wendell Nierman, USA, Retired

Norma Nierman
