Yes I just got a call back from IDL saying that. Thanks. I really think you need to reschedule this as a lot of people who were going to tune in have given up by now.

Ms. Brock,

IDL staff are on working on the connectivity issue. As far as I know, the hearing has not yet started since they are trying to fix the live-stream.

Thank you for your patience,

Kourtney

Hi Ms. Brock,

Thank you for the clarification and for signing-up for the public witness testimony session on August 13th @ 6:00pm (MT) for Docket No. CC-2020-OGR-01-001. I will be sending out the Zoom/call-in information tomorrow morning.

There is a live-streaming link posted on the Idaho Department of Lands website on the [Events Calendar](#) and the OGCC website [Home page](#) and the [Administrative Hearings](#) page to view the hearings. The hearing will be on the IDL/Land Board Facebook Live page. People watching the hearing live on Facebook will not be able to provide comment. Comments submitted on Facebook will not be part of the record.

You can watch both the 9:00am evidentiary hearing and the 6:00pm public witness testimony session through the live-link.

Ms. Brock,

The May 14, 2020 Notice of Prehearing Conference stated that attendance at the July 1 prehearing conference was mandatory for participation in the evidentiary hearing. However, if you want to request to participate in the evidentiary hearing that begins at 9am tomorrow, I can sign you up and you can address the request with the hearing officer at the outset of the hearing.

Ms. Brock,

Are you requesting to participate in the evidentiary hearing at 9:00am or the public witness testimony session at 6:00pm or both?

The letters regarding the application for permit to drill (Barlow #2-14) can be found on the [Well Permit Applications](#) webpage of the OGCC website in the accordion file.

Good afternoon Kourtney -

Please add me to your list to testify via zoom at tomorrow's 9 am hearing on Docket No. CC-2020-OGR-01-001 – Application for Spacing. Will there be a time limit for testimony?

Also, can you tell me when the letters regarding the drilling permit for the Barlow 2-14 well will be posted on the IOGCC website?

Thank you.

Yours,
