13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones, attach the Bond under which the work will be performed or provide the Bond No. on file with IDL. Required subsequent reports shall be filed within 30 days following completion of the involved operations. Final Abandonment Notices shall be filed only after operations. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

The location for the ML Investments 3-10 well has been completed; the drilling of the conductor was started October 17, 2017. We expect the conductor to be set and finished by the end of the day tomorrow, October 19, 2017. We then anticipate moving the drilling rig onto the location early next week and to spud no later than the weekend of October 28-29, 2017.
