Docket No. CC-2020-OGR-01-002

Hello,

We live in Northview Ranch in Fruitland, Idaho. My husband and I are NOT in favor of any company or persons doing drilling in or near the Fallon well.

We do not want this and it should not be allowed to happen when it directly impacts us and our community. Please do NOT allow them or anyone other company or person to do this to us!

Please shut this down permanently!

Respectfully,
Clint and Susan Traw

Subject: NO DRILLING

Hello,

We live in at 2716 Dogwood Ave. (in Northview Ranch) in Fruitland, Idaho. My husband and I are NOT in favor of Alta Mesa (or any other company doing drilling in or near the Fallon well. Now it appears to be Snake River Oil.

We do not want this and it should not be allowed to happen when it directly impacts us and our community. Please do NOT allow them or anyone other company or person to do this to us!

What is the point of buying a home if the ground it sits on isn't really yours? This is not the principles that our country was founded on and now with this crazy virus so many of us are just trying to keep our homes. Please shut this down permanently!

Respectfully,
Clint and Susan Traw
