TITLE 74
TRANSPARENT AND ETHICAL GOVERNMENT
CHAPTER 2
OPEN MEETINGS LAW

74-206. EXECUTIVE SESSIONS – WHEN AUTHORIZED. (1) An executive session at which members of the public are excluded may be held, but only for the purposes and only in the manner set forth in this section. The motion to go into executive session shall identify the specific subsections of this section that authorize the executive session. There shall be a roll call vote on the motion and the vote shall be recorded in the minutes. An executive session shall be authorized by a two-thirds (2/3) vote of the governing body. An executive session may be held:

- (a) To consider hiring a public officer, employee, staff member or individual agent, wherein the respective qualities of individuals are to be evaluated in order to fill a particular vacancy or need. This paragraph does not apply to filling a vacancy in an elective office or deliberations about staffing needs in general;
- (b) To consider the evaluation, dismissal or disciplining of, or to hear complaints or charges brought against, a public officer, employee, staff member or individual agent, or public school student;
- (c) To acquire an interest in real property not owned by a public agency;
- (d) To consider records that are exempt from disclosure as provided in chapter 1, title 74, Idaho Code;
- (e) To consider preliminary negotiations involving matters of trade or commerce in which the governing body is in competition with governing bodies in other states or nations;
- (f) To communicate with legal counsel for the public agency to discuss the legal ramifications of and legal options for pending litigation, or controversies not yet being litigated but imminently likely to be litigated. The mere presence of legal counsel at an executive session does not satisfy this requirement;
- (g) By the commission of pardons and parole, as provided by law;
- (h) By the custody review board of the Idaho department of juvenile corrections, as provided by law;
- (i) To engage in communications with a representative of the public agency's risk manager or insurance provider to discuss the adjustment of a pending claim or prevention of a claim imminently likely to be filed. The mere presence of

a representative of the public agency's risk manager or insurance provider at an executive session does not satisfy this requirement; or

(j) To consider labor contract matters authorized under section 74-206A (1)(a) and (b), Idaho Code.

(2) The exceptions to the general policy in favor of open meetings stated in this section shall be narrowly construed. It shall be a violation of this chapter to change the subject within the executive session to one not identified within the motion to enter the executive session or to any topic for which an executive session is not provided.

(3) No executive session may be held for the purpose of taking any final action or making any final decision.

(4) If the governing board of a public school district, charter district, or public charter school has vacancies such that fewer than two-thirds (2/3) of board members have been seated, then the board may enter into executive session on a simple roll call majority vote.

February 18, 2020
Regular Agenda

SUBJECT

Adoption of Temporary Rule for IDAPA 20.07.02 – *Rules Governing Conservation of Oil and Natural Gas in the State of Idaho*

BACKGROUND

The Idaho Legislature adjourned the 2019 legislative session without reauthorizing all existing administrative rules. On May 8, 2019, the Oil and Gas Conservation Commission (Commission) approved the reauthorization of IDAPA 20.07.02, and the Idaho Department of Lands (Department) submitted a Notice of Omnibus Rulemaking to publish the rule concurrently as a temporary and proposed rule.

IDAPA 20.07.02 became effective as a temporary rule on June 30, 2019. However, the temporary rule will continue in effect only to the end of the 2020 legislative session.

On September 25, 2019, the Commission adopted the proposed rule for IDAPA 20.07.02, without amendments, as a pending rule. The rule will become final and effective if approved by the 2020 Idaho Legislature.

To ensure the continuity of administrative rules following the adjournment of the 2020 legislative session, all agencies are required to submit an omnibus *Notice of Adoption of Temporary Rule* to the Division of Financial Management (DFM) by February 21, 2020 (Attachment 1).

DISCUSSION

The Department is seeking approval from the Commission to adopt IDAPA 20.07.02 as a temporary rule that is conditional and will become effective only if the rules are not otherwise approved or rejected by the Idaho Legislature and/or not extended pursuant to the Idaho Administrative Procedure Act. The Department has not made any changes to the rule that was approved by the Commission on May 8, 2019.

The draft notice (Attachment 2) lists previously approved rules under IDAPA 20, rules of the Idaho Department of Lands, including IDAPA 20.07.02 – *Rules Governing Conservation of Oil and Natural Gas in the State of Idaho*. These rules are necessary to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens.

If approved by the Commission and other approving authorities, the Department will submit the notices of adoption of temporary rule to DFM.

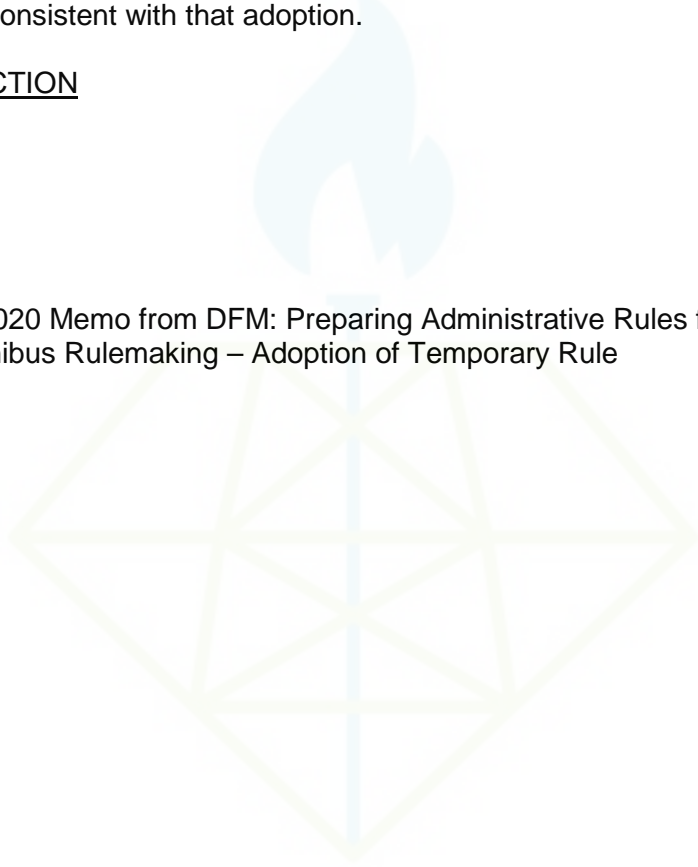

RECOMMENDATION

Adopt as a temporary rule, IDAPA 20.07.02 *Rules Governing Conservation of Oil and Natural Gas in the State of Idaho*, that was adopted by the Commission in 2019 and submitted to the 2020 Legislature, with this conditional approval only effective if the rules are not otherwise approved or extended, and authorize the Department to submit a Notice of Adoption of Temporary Rule consistent with that adoption.

MEMORANDUM

**TO: Executive Branch Agency/Department Heads
Rules Review Officers**

FROM: Alex J. Adams 

SUBJECT: Preparing Administrative Rules for Post-*Sine Die*

In order to ensure the continuity of administrative rules following the adjournment of the 2020 Legislative session, this memo outlines the process that agencies will need to complete prior to **February 21st**. While each agency must take these steps now, these temporary rules are conditional and will only become effective at *sine die* if the pending rules are not otherwise approved or rejected by the Legislature and/or not extended pursuant to the Idaho Administrative Procedure Act, including sections 67-5291 and 67-5292, Idaho Code.

1. Agencies must submit a completed Notice of Adoption of Temporary Rule form to DFM by February 21.
 - A template Notice is enclosed for both fee and non-fee rules.
 - Rules should be adopted as submitted to the 2020 Legislature with the following conditions:
 - a. If your agency had an omnibus docket and separate rulemaking actions, they will be combined by DFM into a **single** omnibus docket.
 - No ARRF will be required.
 - Please submit completed Notices to Adam Latham (Adam.Latham@dfm.idaho.gov)
2. If rulemaking authority is vested in a board or commission – not agency staff – the board or commission must convene to properly authorize the Notice. This is required by law. Please work closely with your attorney to ensure the Notice is properly authorized.
 - The meeting must be scheduled in a timeframe to submit a completed Notice to DFM prior to the February 21 deadline.
 - The motion should be made as follows:

“Pursuant to Section 67-5226, Idaho Code, the Governor has found that temporary adoption of this rule is appropriate to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens.

These rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws.

The expiration of these rules without due consideration and processes would undermine the public health, safety and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules.

(Include if a fee rule) The Governor has also found that the fee(s) or charge(s) being imposed or increased is/are justified and necessary to avoid immediate danger to the agency/department/board/commission’s budget, to the state budget, to necessary state functions and services, and to avoid immediate danger of a potential violation of Idaho’s constitutional requirement that it balance its budget.

Therefore, we are adopting this temporary rule to be effective upon *sine die* of the 2020 session of the Idaho Legislature. The approval is conditional and will only become effective if the rules are not otherwise approved or rejected by the Legislature and/or not extended pursuant to the Idaho Administrative Procedure Act, including sections 67-5291 and 67-5292, Idaho Code.”

3. DFM will publish those notices of temporary rulemaking at or shortly after *sine die* with the rules having an effective date as of *sine die*.
4. For these temporary rules only, agencies do not have to accept written comments pursuant to 67-5222(a) as its requirement and deadline applies to “publication of the notice of *proposed* rulemaking in the bulletin” (emphasis added). Of course, these are the same rules that each agency accepted public comments on and held over 150 public hearings on during the summer and fall of 2019.
5. Each agency must keep all records of this rulemaking process for at least two (2) years pursuant to Idaho Code § 67-5225. Please ensure the record is thorough and complete.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section(s) 67-5226(1) and 67-5226(2), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

These temporary rules are necessary to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. These temporary rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws. The expiration of these rules without due consideration and processes would undermine the public health, safety and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fee(s) or charge(s) being imposed or increased is justified and necessary to avoid immediate danger and the fee(s) is described herein:

The fees or charges, authorized in Sections 38-122, 38-404, 38-1209, 47-315(5)(e), 47-316, 47-710, 47-1506(g), 47-1508(f), 47-1316, 47-1803, 58-104, 58-105 and 58-127, 58-304, 58-601, 58-603, 58-1307, Idaho Code, are part of the agency's 2020 budget that relies upon the existence of these fees or charges to meet the state's obligations and provide necessary state services. Failing to reauthorize these temporary rules would create immediate danger to the state budget, immediate danger to necessary state functions and services, and immediate danger of a violation of Idaho's constitutional requirement that it balance its budget.
