CHAPTER 2
OPEN MEETINGS LAW

74-206. EXECUTIVE SESSIONS — WHEN AUTHORIZED. (1) An executive session at which members of the public are excluded may be held, but only for the purposes and only in the manner set forth in this section. The motion to go into executive session shall identify the specific subsections of this section that authorize the executive session. There shall be a roll call vote on the motion and the vote shall be recorded in the minutes. An executive session shall be authorized by a two-thirds (2/3) vote of the governing body. An executive session may be held:

(a) To consider hiring a public officer, employee, staff member or individual agent, wherein the respective qualities of individuals are to be evaluated in order to fill a particular vacancy or need. This paragraph does not apply to filling a vacancy in an elective office or deliberations about staffing needs in general;

(b) To consider the evaluation, dismissal or disciplining of, or to hear complaints or charges brought against, a public officer, employee, staff member or individual agent, or public school student;

(c) To acquire an interest in real property not owned by a public agency;

(d) To consider records that are exempt from disclosure as provided in chapter 1, title 74, Idaho Code;

(e) To consider preliminary negotiations involving matters of trade or commerce in which the governing body is in competition with governing bodies in other states or nations;

(f) To communicate with legal counsel for the public agency to discuss the legal ramifications of and legal options for pending litigation, or controversies not yet being litigated but imminently likely to be litigated. The mere presence of legal counsel at an executive session does not satisfy this requirement;

(g) By the commission of pardons and parole, as provided by law;

(h) By the custody review board of the Idaho department of juvenile corrections, as provided by law;

(i) To engage in communications with a representative of the public agency’s risk manager or insurance provider to discuss the adjustment of a pending claim or prevention of a claim imminently likely to be filed. The mere presence of
a representative of the public agency’s risk manager or insurance provider at an executive session does not satisfy this requirement; or

(j) To consider labor contract matters authorized under section 74-206A (1)(a) and (b), Idaho Code.

(2) The exceptions to the general policy in favor of open meetings stated in this section shall be narrowly construed. It shall be a violation of this chapter to change the subject within the executive session to one not identified within the motion to enter the executive session or to any topic for which an executive session is not provided.

(3) No executive session may be held for the purpose of taking any final action or making any final decision.

(4) If the governing board of a public school district, charter district, or public charter school has vacancies such that fewer than two-thirds (2/3) of board members have been seated, then the board may enter into executive session on a simple roll call majority vote.

SUBJECT

Adoption of Pending Rule for IDAPA 20.07.02 – Rules Governing Conservation of Oil and Natural Gas in the State of Idaho

BACKGROUND

On February 18, 2020, the Oil and Gas Conservation Commission (Commission) adopted without amendments the temporary rules in IDAPA 20.07.02 that were previously submitted to the 2020 Idaho Legislature. These rules were to be effective sine die of the 2020 legislative session in the event that the Legislature did not approve the existing administrative rules. The Idaho Legislature adjourned the 2020 legislative session without approving all previously existing administrative rules.

IDAPA 20.07.02 therefore became effective as a temporary rule on March 20, 2020 (sine die) and will continue in effect to the end of the 2021 legislative session. For IDAPA 20.07.02 to become a final rule again, the Administrative Procedure Act (Title 67, Chapter 52, Idaho Code) requires publication of a proposed rule in the Administrative Bulletin and a 21-day public comment period.

A special edition of the Administrative Bulletin was published on September 16, 2020 which included the Notice of Omnibus Rulemaking, Proposed Fee Rule – Docket No. 20-0000-2000F. A public hearing was held on September 30, 2020 for IDAPA 20, Rules of the Idaho Department of Lands. No oral comments were received on IDAPA 20.07.02 at the public hearing. Also, no written comments were received on IDAPA 20.07.02 by the October 7th deadline. The Department has not made any changes to the proposed fee rule that was presented to the Commission in August 2020.

DISCUSSION

The Department is seeking approval from the Commission to adopt the IDAPA 20.07.02 proposed fee rule as a pending rule. The rule would be adopted without amendments and is the same rule that was presented to the 2020 Legislature.

If approved by the Commission, the Department will submit the appropriate Notice of Adoption of Pending Rule to be published in the Idaho Administrative Bulletin, and IDAPA 20.07.02 would become final and effective after approval by the 2021 Legislature.

RECOMMENDATION

HEARING: Appeal of the Administrator’s Denial of Application for Permit to Drill, Barlow #2-14

BACKGROUND

Snake River Oil and Gas, LLC (Snake River) submitted its application for permit to drill (APD) the Barlow #2-14 on June 26, 2020. The Idaho Department of Lands (Department) sent the application to the Idaho Department of Water Resources (IDWR) as required in Idaho Code § 47-316(1)(b) and received comments and recommended conditions from IDWR. The Department also posted the application for a ten (10) business day written comment period as required in Idaho Code § 47-316(1)(c) and received comments in response.

The Administrator issued a September 11, 2020 decision denying the Barlow #2-14 APD (Denial). Snake River appealed on September 25, 2020, arguing that the Denial should be reversed and requesting the Oil and Gas Conservation Commission (Commission) grant the application. On October 5, 2020, the Commission’s Chairman issued a Notice of Appeal Hearing with notice of the October 20, 2020 hearing before the Commission.

DISCUSSION

Pursuant to Idaho Code § 47-328(5), the Commission will hear oral argument from, but not new testimony of, the appellant and other qualified participating persons. The Commission will then make a decision on the Application for Permit to Drill, Barlow #2-14.
