All –

In the Hearing Officer’s previous order, Mr. Risch stated that unless the Complainants renewed their request for the information “then the discovery dispute appears to be resolved and this matter appears ready to be set for a hearing...” on the Complaint.

No renewed request having been made, there appears no need for additional informal prehearing conferences and Mr. Risch requests all parties submit available dates for a hearing on the Complaint. If no date can be reached by consensus the matter will be set for the regular hearing date on September 13, 2018. Or alternatively, if any party sees a need for another prehearing conference, they can make that request and one will be set this week.

Thank you,

Maggie Mallea
