SUBJECT: Petitions to Amend Order,
Docket Nos. CC-2016-OGR-01-004 and CC-2016-OGR-01-005

Dear Mr. Christian,

The Idaho Department of Lands (IDL) has completed a review of the two Petitions to Amend Order in the above dockets as submitted to IDL on April 30, 2018. In accordance with Idaho Code § 47-328(3)(a), IDL has determined that no additional information is required in order to evaluate these Petitions. IDL's acceptance of the Petitions for filing is only the initial step in the hearing process and cannot be construed as preventing IDL or the hearing officer from determining that additional information is needed in order to grant some or all of the requests contained in either Petition. IDL reserves the right to seek additional information from the Applicants to assist in its evaluation of the Petitions prior to the hearing, which is set for Thursday, June 14, 2018 at 9:00 AM MDT. IDL also reserves the right to object to all or part of the Petitions at the hearing.

If you have any questions, you can reach me at (208) 334-0243 or jthum@idl.idaho.gov. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "James Thum".

James Thum
Oil & Gas Program Manager
